

Changes to school

The government has asked schools to close to

most

children.

Some

children

are

allowed

to still

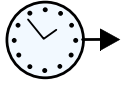

come to

school.

I

will

still

be able

to

come to

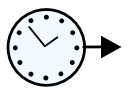

school

but

school

will

be

quite

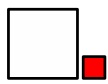

different.

Only

a

small

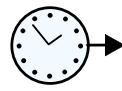

group

of

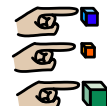

children

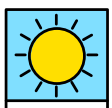

will

come

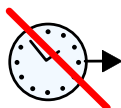

each

day.

I

will not

have

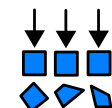

lessons

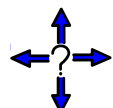

in

the

normal

way

but we will do some learning activities.

We will also play games, watch films or TV

and have relaxing time. Different teachers who usually

work in my school will be in to help.

I can eat a school lunch or bring my own packed lunch.

Everyone will be friendly and look after me well.

I will enjoy coming to school.
