Dear Parent/Carers,

Re: Year 6 Trip: Bowles 25th June

We are pleased to inform you that your child has the opportunity to take part in a day trip during the school week at the Bowles Outdoor Activity Centre, Tunbridge Wells, **on Friday 25th June 2021.**

The visit to Bowles is an opportunity for the children to develop not only physical skills and academic ability but also to build social skills and awareness of others.

Due to the current circumstances, Bowles are not offering over night stays but we will be going to Bowles from 9:30am-4:30pm and the children will be taking part in various activities. After this, we will all be coming back to school to have pizza, an outdoor cinema, games and a sleepover in the hall. This will also be a great experience for those who have not stayed away from their family and a chance to develop their independence before transferring to secondary education.

In order to reduce costs, we would like you to provide your child with a packed lunch. In addition, we also ask that you drop your child off at Bowles but we will have a coach to bring us back. Parents find this a positive experience and appreciate the opportunity to see the environment for themselves. Please be reassured that if dropping off or collecting your child is a problem, we can support you in organising a lift share.

Bowles is a non-profit making organisation. The cost of the trip will be £35.00 per child, as a minimum, but if you would like to provide more, there will be an option to do so. This price includes:-

- Approximately 6 hours of instructor lead activities which may include abseiling, water sports, zip wires, archery, bush craft skills, team work challenges and raft building.. This is subject to change dependant on availability nearer the time and weather.
- All necessary equipment for outdoor activities (children only need to provide basic day to day clothing, shoes, gloves and socks for skiing).

Inspirational Learning for Life

If for any reason, you feel it would be difficult for your child to attend, please contact me to discuss options available to you. If you have any concerns or queries in the meantime please do not hesitate contact me.
