Monday 6th February 2023

Dear Parents and Carers,

I am delighted to share the inspection report from our recent OFSTED visit in December 2022. As you will see, our school remains 'Good' and highlights many of the strengths that Godstone Primary and Nursery School has to offer. I am really proud of the OFSTED inspector's findings and I hope that you will enjoy reading this report as much as I have. In particular, I was pleased to read that:

- Pupils are at the heart of this nurturing and vibrant school.
- High expectations permeate every aspect of school life.
- Pupils are rightly confident that any unkind behaviour will not be tolerated.
- Leaders, governors and staff have an unwavering determination that all pupils develop 'a love of learning for life'.
- The school's curriculum is ambitious, exciting and well designed.
- Pupils are proud of their school. They have positive attitudes toward learning.
- Leaders and staff place high importance on pupils' welfare and safety.

In addition, please find a response to our OFSTED report from Clare Thurman (Chair of Governors) below:

We are delighted to receive this report from Ofsted, which captures the ethos of our school and highlights the brilliant work undertaken by everyone in recent years. On behalf of the governing body, I'd like to thank all of the teachers, support staff and senior leadership team for their unfailing commitment to constantly improving the curriculum and learning environment for the children of Godstone Primary and Nursery School. I'd also like to thank parents and families for your on-going support and loyalty. With everyone pulling together and working as a team, our children are benefitting from being part of a genuine community dedicated to giving them the best start to their education. We are pleased that this has been recognised by Ofsted and we look forward to our school going from strength to strength.

Yours sincerely,

Mr Nick Usher
Headteacher

Inspirational Learning for Life
