Thursday 1st February 2024

Dear Parents and Carers,

The School Council representatives have been leading discussions with their classes about how they would like to improve the school.

One area they would like to improve is the classroom book areas. The children would like to increase the amount and range of books that they have in their classrooms and to create some softer seating areas with cushions and/or beanbags.

The School Council have decided that they would like to raise money for this by holding a sponsored read from 7th February and ending on 7th March, World Book Day.

Children can be sponsored by the number of books, the number of chapters or the amount of time that they have read during the month. Alternatively, a donation can be made. The School Council have also asked that the class that raises the most money will also receive extra playtime to add an element of inter-class competition.

Please find a sponsorship form attached. Please choose whether your child will be sponsored by number of books, number of chapters or minutes spent reading. Then ask as many people as you can to sponsor your child to help us raise as much money as possible to enhance our classroom book areas.

Please return the sponsorship form on 7th March for us to copy. We will then return it to you for you to collect and return the money by 22nd March. Donations can also be made via Scopay.

The school newsletter contains details of the other areas of the school that the School Council are looking to improve.

We greatly appreciate you supporting your children in this sponsored reading event.

Yours sincerely,

Miss Liz Hellier

Deputy Headteacher
