Dear Year 6 Parents and Carers,

RE: Walking to and from school and mobile phone agreement.

For those children who live in close proximity to the school, having the opportunity to walk to and from school is a great way to build independence. Many children in Year Six begin to travel to school and home independently. If your child will be taking on this responsibility, please complete and return the below form so that we have a record. Please note that we require written permission from a child's parent/guardian in order for them to walk home from school alone.

Should your child bring their mobile phone to school, this will be switched off and locked away in a cupboard on arrival and returned to them at the end of the school day.

Kind regards,

Miss E Boden
Year Six Teacher
