Dear Parents and Carers,

## RE: Year 6 Bikeability – Level 2

We are pleased to inform you that we have now finalised the dates for the Year 6 Bikeability and we hope that the children will enjoy this opportunity. With the support of Active Surrey, funding has been secured for this training and so there will be no financial costs involved for parents this year.

The training will take place on **Monday 20<sup>th</sup>, Tuesday 21<sup>st</sup>, Thursday 23<sup>rd</sup> and Friday 24<sup>th</sup> January 2025**. The children will be split into three groups and they will take part in one session on each of these four days.

As part of this project, Active Surrey want to ensure that all children have the opportunity to take part in the cycle training and so they will make cycles available for those who need them. There will be no cost involved for those children who do not have access to their own cycle.

With this in mind, we will be holding a 'Try It Out' session on Monday 13<sup>th</sup> January 2025. This will provide the opportunity for those without access to a cycle to be allocated the best-sized cycle for them by the team of instructors.

We therefore ask that, if your child **does not** have access to a cycle, you book a place on the Borrow-A-Cycle Try Out Day taking place during the school day on Monday 13<sup>th</sup> January 2025 using the following link:

Link: [School Training \(Borrow a Cycle Try Out Day\)](#)

The booking deadline is **Thursday 5<sup>th</sup> December 2024**.

During their time with the instructor, your child will:

- Be fitted with a bike and helmet
- Receive a skill check from Surrey County Council cycling instructors
- Receive extra support from the instructors to develop their cycling skills

It is therefore important that you complete the online booking form so that the correct number of cycles are delivered prior to the training.

Please note that the cycling instructors cannot guarantee to be able to train your child to a standard where they would be safe to take part in Level 2, which is on the road. Instructors make their decision based on each individual child.

We will provide further information nearer the time with regards to timings and storage of bikes. However, should you have any initial questions, please do let us know.

In the meantime, please complete and return the attached return slip by Friday 8<sup>th</sup> November.

Kind regards,

**Miss Boden and Mrs Rogers**
